

College of Engineering

Michigan State University

Facts and Figures

Degrees Awarded

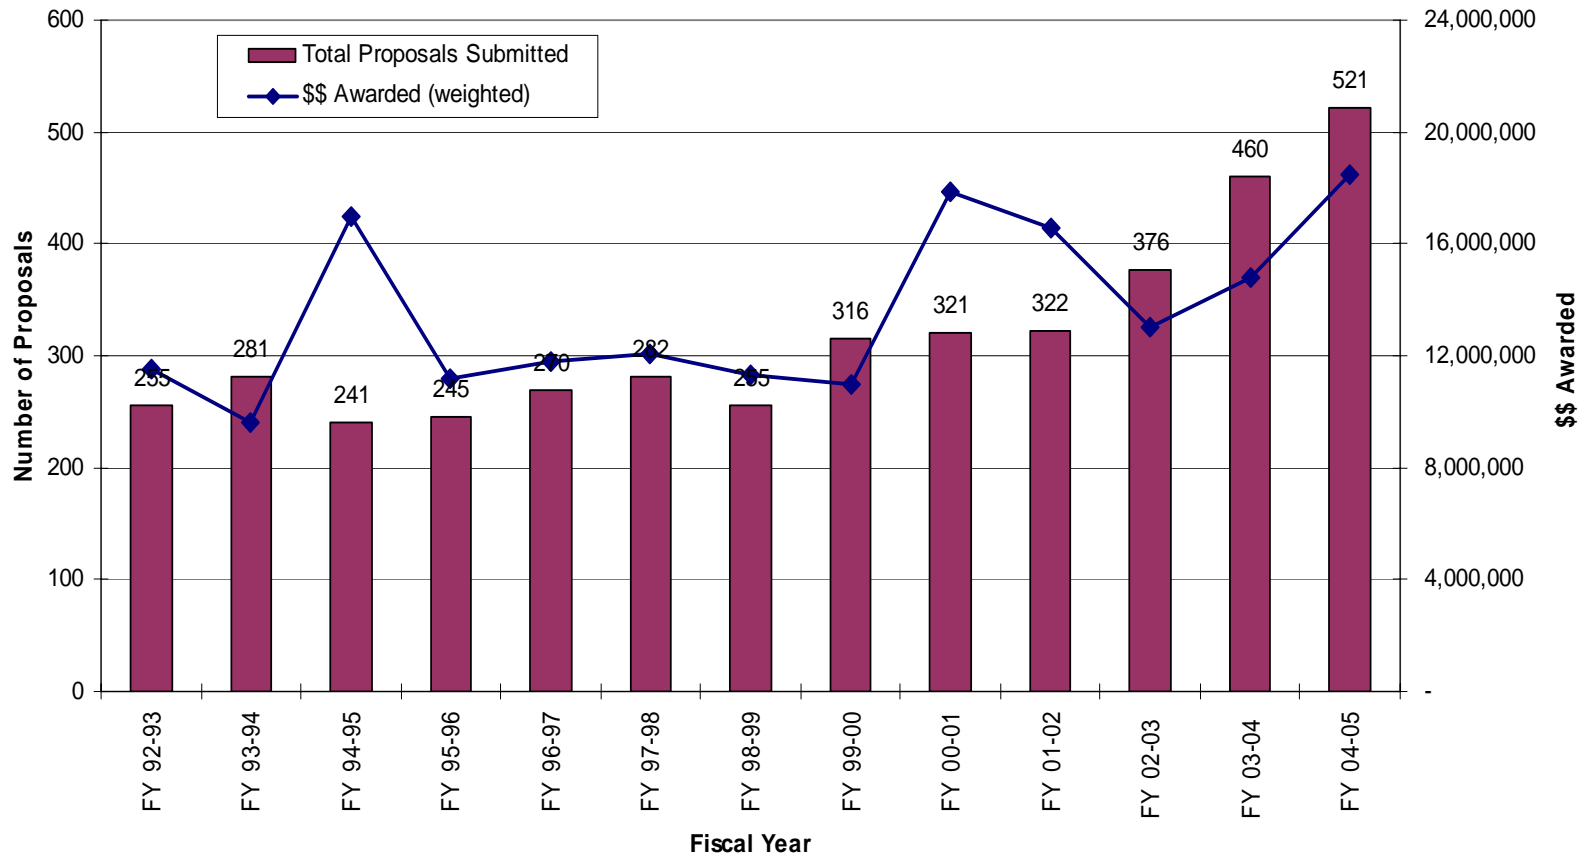

BS	680
MS	162
PhD	45

Research Numbers

Active Grants	336
Research Expenditures	\$24.6 M

Research Volume

Proposals Submitted and \$\$ Awarded

Faculty Searches

- ME
- CSE
- CEE
- CEMS
- ECE
- BAE

New Initiatives

- Institute for Engineering and Health
- Residential Program
- Quality Fund
 - Undergraduate Research Assistants
- Research Initiatives
 - Energy and transportation research
 - Homeland security /high assurance computing
 - Sustainable economy/ renewable resources
 - Nanotechnology

Ideas on the anvil

- Five year program?

Questions

What can we do to:

- Improve the quality of intellectual discourse
- Move our students up on the value- added curve
- Improve our research and teaching productivity
- Equip our students with skills/talents to survive in an ever changing marketplace
